

**Model: RMF-17WT**  
**1U Foldable Rackmount 17" Full HD Monitor, with Touch Screen**

**Main Feature**

- 17.3" Full HD LED Panel support 1920 × 1080 pixels
- Foldable 1 U height rack-mounting design
- Construction: Heavy-duty steel
- Wide viewing angle
- OSD (On Screen Display) function
- Resistive touch screen function

| Specification |                                                                                                                                                                                                                                                                          |

| Product Model | RMF-17WT                                                                                                                                                                                                                                                                 |
| LCD Panel     | Display Type : 17.3" Full HD LED Panel<br>Resolution : 1920 x 1080<br>Luminance : 300 cd/m2<br>View Angel : 130°(H), 120°(V)<br>Pixel Pitch : 0.1989 x 0.989 mm<br>Contrast Ratio : 500 : 1<br>Response Time : 2 ms<br>Power Consumption : 12W<br>LCD MTBF : 50,000hrs   |
| Signal Input  | VGA ( 15 pin D-sub connector ) + DVI (DVI-D) + audio input ( audio jack )                                                                                                                                                                                                |
| OSD           | Brightness, Contrast, H/V Position, Color, Phase, Clock, auto tune and recall                                                                                                                                                                                            |
| Touch Screen  | Internal USB or RS-232 interface controller<br>Type: Analog resistive type : 25VDC ≥ 20MΩ<br>Resolution: continuous<br>Light transmission: 80% or more<br>Power consumption:<5V @1mA<br>Surface hardness : 3H<br>Operating force : ≤100g<br>Life expectancy : 35 Million |

|                                    |                                                                   |
|------------------------------------|-------------------------------------------------------------------|
|                                    | Operation system : Window 2000 / XP / Vista / 7 / CE, DOS , Linux |
| <b>DC Power Input ( optional )</b> | Wide range DC 7V-28V input                                        |
| <b>Power Supply</b>                | Input: 100~240VAC,50/60Hz                                         |
| <b>Construction</b>                | Heavy duty steel                                                  |
| <b>Speaker</b>                     | 2 x 2W internal stereo speaker                                    |
| <b>Operation Temperature</b>       | 0~50°C                                                            |
| <b>Dimension W x H x D ( mm )</b>  | Dimensions: 482 x 44 x 425mm                                      |
| <b>Ordering Information</b>        |                                                                   |
| <b>RMF-17WT</b>                    | 1U Foldable Rackmount 17" Full HD Monitor, with Touch Screen      |
| <b>Optional: DC</b>                | Support DC input (7-28VDC)                                        |
